Daniel and Joe are English but they are studying in Madrid. They live with two French students, Emilie and Amandine. Madrid is a beautiful city and it is famous for its food, museums and nightlife for young people.

Their flat is in the center of the city, in Serranos street, so they walk everywhere. It is a big flat, there are four bedrooms, one for each. They share the kitchen, the living room and the bathroom but there is not a balcony. The living room is very sunny, there are three sofas, an armchair, a tv and a table with six chairs. The bathroom has got a bath and a shower. The kitchen is very modern and it has got everything. They are very happy with the flat.
