My name is Oksana. I'm Russian but I live and work in Paris. I'm a university teacher. I love cooking. Every month, I like learning a new recipe. I want to learn to cook Japanese food.

I have a small family, a brother and a sister. My brother's name is Oleg. He's a policeman, and he lives in London. He plays the guitar in a group. My sister's name is Anna and she lives in London too. She's a dancer. She loves classical music. They both like football but I don't. They're Manchester City fans.

I go to London once a year to visit them. London is a big city, but there's a good public transport system, so a lot of people use buses and the underground. Anna and Oleg live in the same area, near the centre so we usually walk everywhere. I usually stay in London for a week. We like eating out and visiting museums. We always visit The British Museum. We love being together.
